Subject: Re: Invitation: Working Group meeting #1 - Potential Impacts to sage-grouse (and other spp.) habitat - save the date: April 2 @ 10AM
Date: Monday, March 16, 2015 10:59:29 AM

All,
This is regarding the Tri-state Fuel Break Project. Apologies for not including that in the message.

Lara

> All,
> Please join us in the BLM **Boise District Office's main conference room April 2 at 10:00 AM** for the first Working Group issue meeting. We have the room reserved until 3:00 PM if needed, but hope to get through the meeting agenda items before that. Please save the date. Meeting details including agenda, purpose and need, literature references re: habitat impacts, etc. will follow.
