Dave Scott, Assistant Regional Director, Migratory Birds & State Programs

Job Duties:

I provide leadership and management oversight for the Midwest Region's Migratory Bird Programs as well as the Wildlife & Sport Fish Restoration Program. I represent these broad programs on the Regional Directorate Team and interact with partners, particularly State Wildlife Agencies, on diverse conservation issues. I serve as the Co-Chair of the Upper Midwest & Great Lakes Landscape Conservation Cooperative and the US Co-Chair of the Black Duck Joint Venture. I am actively engaged with the Association of Fish & Wildlife Agencies (AFWA) on bird conservation issues at a national scale and regionally through the Midwest Association of Fish & Wildlife Agencies (MAFWA).
