Thanks, Pat. We will look this over. Mike Carrier can make the meeting Monday afternoon as well so both Mike and I will attend for FWS. Thanks.

This is a very rough draft and has yet to be fully vetted by my hierarchy. The new language **14.8 BLM Land Exchange** should give you an idea of our thoughts on this subject. Any additional thoughts or concepts that we could add into our Plan to get a land exchange implemented within the Key Areas is appreciated.

Gentlemen,

We'd like to set up a 2 hour meeting next week for a discussion on IDL land exchange with the BLM within Key sage-grouse habitat areas. Please use the link below to indicate days and times you are available.

I will not likely be in Boise next week, so I will be joining by phone if possible.

Thank you,

Patrick Seymour
