Pat,
Sorry, I missed the part about calling a different number. I did not compare the number you gave with your regular line. Please call Jason. at 208 685 6958

The Section 10 recommendation could be interpreted as either to prioritize protection of the habitat conditions cited in Tables 3-5 of the Governor's Alternative, or to avoid fuel break construction within those habitat conditions? Likewise for Section 11, rehab/restore to the habitat conditions in Tables 3-5, or prioritize restoration efforts where table conditions could be met?
