Per our chat yesterday, here's an assignment email to send to Project Leaders...

****

Good Afternoon-

In preparation for the upcoming Analysis Meetings, we ask that you take a moment to familiarize yourself with some of the initial chapters that were shared with the RDs earlier this year.

They include:

- Hunting
- Recreation
- Disease
- Urban/Exurban Development
- Drought
- Fences

We presented a brief overview to the states, and a slightly more in-depth series of slides to the RDs.

The slides shared with the RDs are available on SharePoint (https://portal.doi.net/usfws/SG/docs/Forms/ppt.aspx). Direct links are associated with the list of topics above (Hunting is one presentation, Recreation and Disease a second, Urban/Exurban Development, Drought, and Fences, a third).

Thank you,
K
