Hi Ted,

I'm heading out on annual leave, but wanted to give you an update.

Fire Chapter - have had one or two people comment on the latest draft - need to make edits and get back in. Amy stated at an ok place as Kate has relaxed the requirements on what we need to have done prior to May meeting. (Get through PM review.) Waiting on review from WA. Will work on edits next week.

Equid Chapter - have received one review, waiting on another one. Will work on edits next week.

CED - working through assignment (due Friday). In a decent place, hope to finish on Wednesday or Thursday of this week. Very little information to support claims of effectiveness have been provided in the CED.

Thanks,

- Gen
