Good to go, just change the references to the meeting as last week vs yesterday.

Thanks.

My sincere apologies - somehow the document I attached for Nicole's review did not include the changes I made based on Pat's review...saved incorrectly. I have attached the revised document here so we are all looking at the same thing - shows Nicole's edits and the changes recommended by Pat.

I have made a few changes to the draft letter to add some specificity regarding how we are going to be reviewing the state plans. Please edit if I have not used the correct terminology related to the conservation objectives. I spoke with Larry about how we be clear while being sensitive to the State's concerns, so we might need to tweak a few sentences. Utah is expecting a response today in order to meet a BLM deadline. Noreen, do you have any comments or concerns with the draft letter?

Thanks, Pat!

Nicole - I've made Pat's recommended changes. Please ask Noreen to take a look. The State is hoping to receive these preliminary comments from us today.

Hi Pat,

Attached is our draft response. Larry would like to be able to send it to Kathleen et al. today, so we appreciate your time in review. Any comments/edits will be much appreciated! Thanks!
