Hi Jason,

Yes, I plan on sending Doug a list of ARDs, PLs, and FIAT team leads today. If there are others from your office that should be included let me know.

Thanks!

However, the assessments will not be made publicly available until after a briefing to BLM leadership sometime in April. The intent of this email is to ascertain the names and email addresses of the appropriate audience for initial viewing of the assessments. This audience includes BLM, USFS, USFWS, and NRCS leadership. Once I have the list of names and email addresses of this group, we will establish an FTP with security (passwords) to allow access to this limited group.

WHAT WE NEED FROM YOU: The names and email addresses of people within the target audience who need to view the FIAT assessments beginning 3/27

WHEN WE NEED THIS FROM YOU: No later than COB, next Wednesday, 3/25

WHO TO SEND THIS INFORMATION TO:

Please email this information to both: scottle@blm.gov and dhavlina@blm.gov

Thanks very much; please call me with any questions.

Doug Havlina
