Education and Outreach

The mission of the U.S. Fish and Wildlife Service is working with others to conserve, protect, and enhance fish, wildlife, plants, and their habitats for the continuing benefit of the American people.

This is accomplished, in part, through education and outreach.

Than
Speaker.
Dear Biology Speaker man,
(Sorry I don't remember/know your name.) Anyway, I just wanted to than you for being my favorite speaker out of all three. Espeshally letting use tuch/pet that California things. I learned a lot about ways to prevent animal and plant extinction.
