You speak in the morning and the Governor speaks right before lunch, so if you don't plan to attend the afternoon workshops, and assuming ~1 hour travel time from the venue to SLC airport (be there at 4 pm for a 5:30 pm flight), I think we could go ahead and hold the call as planned at 2 pm and you could participate for an hour before you need to leave for the airport. Please let me know if that works with your intentions re: the afternoon. If not, I'll try something else. Thanks.

Subsequent to that discussion, several of our folks have indicated a full-blown FMT, during which we could discuss the above, plus status review, is in order. So, I'm game to pull that together but wanted to check in with you and get your thoughts/direction before I move forward. Thanks.
