Subject: GRSG: Information for our meeting tomorrow, 10/06/14 at 9 am MDT

Folks,

Please see below information for our meeting/webinar tomorrow from 9-11 am MDT to discuss recent work by NatureServe and the Conservation Biology Institute and potential application to greater sage-grouse and sage-steppe conservation efforts. We appreciate everyone's willingness to come together on short notice and discuss information and opportunities.

For those of us meeting at the Service's regional headquarters in Lakewood, CO (134 Union Boulevard, 80228), we will gather in the Regional Director's conference room a few minutes before 9 am. Craig Hansen and I will admit external participants at the front door and direct you to the conference room.

For remote participants, please see below the webinar/audio bridge instructions Craig kindly provided.

Lastly, by way of this message, Healy, Pat: please forward this to your colleagues at CBI.

Please let me know if you have immediate questions or need any additional information before tomorrow, and thanks in advance for everyone's time.

Regards,

Matt
