Date: Thursday, November 14, 2013 11:33:49 AM

I was going to ask Frank today, but he wasn't on the call (sick) so we didn't discuss the agenda...
But yeah - I might only have to be there for Tues and Wed - and/or maybe I could call in for Monday (if that's an option).

I'm fine with whatever you guys decide, just wanted to check in.

>> The Monitoring and Disturbance Meeting is December 2nd (MON) through the 5th (THU) in Lakewood. I'm not sure how you would like to work this, but I'm anticipating I'll need to be there Mon-Wed... Should I (a) book a hotel, (b) plan on driving from Ft. Collins each day, (c) a combination of both (a) and (b)...? Please advise.

Hello Team,
Hopefully those of you who are not in the area have been able to book your travel for our meeting in December. Here is some more information, along with a couple questions. Please let me know ASAP if you will NOT be attending.

Rough Draft Agenda:

- Monday: 1:00-5:00; Vegetation Monitoring
- Tuesday: 8:00-5:00; Veg & Disturbance Monitoring
- Wednesday: 8:00-5:00; Population, Implementation, Effectiveness Monitoring
- Thursday: 8:00-12:00; Briefing to Planning Leads (*Thursday will be held at the NOC)*

Location:

- The meeting will be held at the **Hampton Inn Denver West Federal Center** (137 Union Blvd., Lakewood, CO). You are NOT required to stay at the Hampton.
- Other nearby options include: Homewood Suites by Hilton Denver West/Fed Center - Lakewood (walking distance), Sheraton Denver West Hotel (long walking distance), as well as several others.

Questions:

- Nevada - have you decided who you will be sending?
- FS - who all will you be sending?

Additional:

- If you are interested in carpooling, please let me know your arrival and departure times, and we can see if others match up closely with you.
- We will be having a social get-together one of the evenings. I will ask on the call this week which night may work best for everyone.

Talk to you all Thursday.
Frank
