Coastal Art, Poetry and Photography Exhibit

December & January

Humboldt Bay National Wildlife Refuge Visitor Center

1020 Ranch Road in Loleta

7 days a week 8am to 5pm, except Federal Holidays

A selection of winning artwork from the 2006 to 2013 California Coastal Commission Coastal Art & Poetry and Amateur Photography contests is currently on display. Come for a walk along the Shorebird Loop Trail, view wildlife and enjoy some art this holiday season.

Children's Nature Inspired Art Workshop

Sunday, December 28

1pm to 4pm

Local artists and materials will be available for participants in a casual, drop-in workshop setting. We hope to inspire young artists to express their relationship with coastal wetland habitats and wildlife and maybe even enter their work into some upcoming art contests just for kids!
