Table 2. Species that could benefit by conservation actions for Grasshopper Sparrow (*Ammodramus savannarum*), in some geographic areas.

Scientific Name	English Name	Season	Comment
Circus cyaneus	Northern Harrier	Breeding	
Buteo swainsoni	Swainson's Hawk	Breeding	
Bartramia longicauda	Upland Sandpiper	Breeding, Winter	
Numenius americanus	Long-billed Curlew	Breeding, Winter	
Asio flammeus	Short-eared Owl	Breeding	
Eremophila alpestris	Horned Lark	Breeding, Winter	
Anthus spragueii	Sprague's Pipit	Breeding, Winter	
Calcarius ornatus	Chestnut-collared Longspur	Breeding, Winter	
Rhynchophanes mccownii	McCown's Longspur		some potential habitat overlap
Peucaea cassinii	Cassin's Sparrow		some potential habitat overlap
P. aestivalis	Bachman's Sparrow		*A. s. floridanus*
Pooecetes gramineus	Vesper Sparrow	Breeding, Winter	
Calamospiza melanocorys	Lark Bunting	Breeding, Winter	
Passerculus sandwichensis	Savannah Sparrow	Breeding, Winter	
Ammodramus bairdii	Baird's Sparrow	Breeding, Winter	
Spiza americana	Dickcissel		
Dolichonyx oryzivorus	Bobolink		
Sturnella magna	Eastern Meadowlark	Breeding, Winter	
S. neglecta	Western Meadowlark	Breeding, Winter
