From: Abbott, Tyler
To: Reeves, Julie
Subject: Re: GWW Migratory Bird Conservation Plan
Date: Tuesday, May 07, 2013 10:34:33 PM

Julie- just an FYI

I will not be able to participate on the call on the 20th until 2 or 2:30 (depending on how long our Project Leaders Call goes).

Tyler

> I think the Service folks involved with Gateway West need to plan to discuss Rocky Mountain Power's Gateway West Migratory Bird Habitat Conservation Plan, Segments 1-4 prior to the group call on Monday, May 20th. Jeri will be retiring on the 17th (frowny face), and so it would be helpful to have her thoughts on this prior to her retirement. Please fill out the doodle poll: http://www.doodle.com/w3qwitt7ypk9hkh4 to help me set up a call the week of May 13th so we can discuss this plan. I know we are all very busy, but I think this is a very important, potentially precedent-setting deal here.
>
> Quick summary of the document: There are about 10 pages of introduction, regulatory framework, and a summary of their BMPs, followed by a table of their BMPs for migratory birds, then a several page summary of impacts to migratory bird habitat not already being addressed by the sage-grouse framework, and finally two pages describing their compensatory mitigation. It should not take too long to get through, and I am hoping that we will focus on the major fatal flaws and questions of this plan.
