As mentioned, we'll need 6 copies of everything (Dan, Noreen, Ren, Richard, Mike, me) so you can decide whether you want to make those now and supplement when I get the final pieces or wait until tomorrow morning to finalize. Thanks.

Here are several news/revised items for printing/inclusion in Noreen's SGTF/roll up briefing package. Note you may need to set the print area on the .xls spreadsheet to print the item properly. I am still waiting on some additional items, which I'll provide as soon as I get them. Thanks.
