Creed,
I think that was the final version, since we met with DNR and Jeff VerSteeg on June 14. I have a June 11 versioin of the document, so obviously yours is more polished. My recollection is that we handed the document to Jeff and Lisa Dale at the meeting. I don't believe it was formally transmitted.

I have a 2013.6.14 document (attached) that I/we prepared for Noreen to communicate to DNR. I'm not sure if this was 1) further revised, or 2) sent to DNR in written form or just communicated to DNR (J. Versteeg probably) verbally by Noreen. Do you remember and/or have any later version? Neither Terry nor I have anything later.
