That is fine by me.

Thanks,
Sara

> We have been asked to brief the House Energy and Mineral Resources committee about the Sage-grouse genetics workshop on Thursday, October 16 at 1:00 (ET). I still know little about what they want to hear. My original plan was to just have Mike and I do the briefing to provide a general overview of why we are doing this workshop and explain its purpose. I'd like to talk today if we can find a time, so we can see if we stay with that plan or go into more detail with Sara giving a part of the presentation she would give at the workshop. Please respond quickly with your availability to talk today. Thanks.
