As of right now I am not planning on taking the pipit cropland example into text, but will just say will will provide an example when we talk in person so the details can be figured out. Pat are you around in and hour to pow-wow?

think Mike and Nicole will be shy in providing comments.....

On Thu, May 15, 2014 at 9:44 AM, Norman, Kate <kate_norman@fws.gov> wrote:

Good morning!

I know that Mike and Nicole were hoping to see the direction we're heading. Do you think we're at that stage?
https://portal.doi.net/usfws/SG/docs/20140522_Tools.pptx

Thanks!
K

P.S. I made some minor formatting changes and removed some of the red dots. I also changed Pat's Green comments to white, but added comment boxes in case not everyone had seen the changes :)
