Use Constraints: This map is a graphical representation of cactus ferruginous pygmy-owl (*Glaucidium brasilianum cactorum*) proposed critical habitat and is provided for illustrative purposes only. Refer to the legal descriptions in the regulation for the percise legal description of critical habitat. The map and the GIS coverages used to create this map are not the definitive source for determining critical habitat boundaries. While the Service makes every effort to represent the critical habitat shown on this map as completely and accurately as possible, the USFWS gives no warranty, expressed or implied, as to the accuracy, reliability, or completeness of these data.
