Mary Flanderka has accepted this invitation.

Multi-State Database discussion

Meet with WGFD to discuss the Multi-State Database.

1. Identify overlaps and deviations from Conservation Efforts Database (CED) and the Multi-State Database. Discuss options and solution to close those gaps where appropriate.

2. Discuss timeline and CED resources available to assist in the architecture, functionality, reporting capabilities, and data sharing options for the multi-state database.

3. Schedule a day/time for CED design team to discuss design process as needed.

Mary will provide call-in information for the meeting.
