Thanks, Larry,

I'll let Theodore "Theo" respond as he's our GSG & GUSG guy now.

Best,

Leith

Subject: Media request for comment re: ravens & sage-grouse

Hi all -

We received a newspaper request (Ogden Standard Examiner) this afternoon for comment on a letter that was apparently sent from the Box Elder County (UT) and Elko Co. (NV) commissions to the Sec. of Interior requesting the raven be removed from the MBTA list because they are "making life too difficult" for greater sage-grouse.

Wanted to cross-check with you folks to see if you have received this request (and if so, we will be happy to let you respond!), or if not, if you have any talking points you'd like us to be aware of to make sure we're giving the consistent message.

Thanks -

Betsy
