U.S. Fish and Wildlife Service, Region 1

These coordinates were derived from Geographic Information System (GIS) digital files. The GIS files and their associated coordinates are not the legal source for determining critical habitat boundaries. Inherent in any data set used to develop graphical representations, are limitations of accuracy as determined by, among others, the source, scale and resolution of the data. While the Service makes every effort to represent the critical habitat shown with this data as completely and accurately as possible (given existing time and resource constraints), the USFWS gives no warranty, expressed or implied, as to the accuracy, eliability, or completeness of these data. In addition, the USFWS shall not be held liable for improper or incorrect use of the data described and/or contained herein. Graphical representations provided by the use of this data do not represent a legal description of the critical habitat boundary. The user is referred to the critical habitat map(s) and any accompanying regulatory text in the final rule for this species as published in the Federal Register.

The projection for this data is UTM Zone 10 NAD 83.
