> This was a big effort and I want to give a big thanks to Lara Drizd for her key role in populating this database, tracking down copies of papers, and tagging papers by topic. Also thanks to Pat Deibert for sharing her literature files with us. We intend this to be a living database, so please send any new papers germane to sage-grouse conservation to Lara (lara_drizd@fws.gov) so she can include them.
