Thanks, Amy! I'll incorporate your suggested changes, clarify some of the points made in the notes, and send them back out to the group.

Jeremy

Hi Jeremy,
For your consideration, I proposed some edits to the meeting notes as attached.

Thanks!

Hi all,

I have attached meeting notes from the meeting on 11/19, during which mitigation ratios for the Alton Coal EIS sage-grouse mitigation plan were discussed. Please let me know if you have any comments or questions.

Thanks and have a good Thanksgiving!

Jeremy
