Thanks Jeff. We understand. Hopefully the shutdown will be short-lived. I will continue to copy you on any documents I distribute but otherwise will try not to clutter your inbox.
I tried to call you back this morning but apparently missed you.

Hi Catherine. Due to the shutdown, we won't be able to review or provide input on any draft MT sage-grouse plan versions as long as the shutdown persists. Also, although we hope to attend next week's meetings, we will not be able to do so should the shutdown still be in effect. Thanks and hopefully we'll be talking soon.

Jeff
