Sounds good – can you also get a conference call line for the folks that cannot make it up here from Cedar? I appreciate it.
So 8:00am at the Salt Lake USFWS Field Office Conference Room.
Thanks everyone!

Hi Robin,
I am at NCTC this week and so I can't check in with Laura and Larry. I see that they are copied on this message, so hopefully they will respond.

I am not available on the 1st, but could meet anytime on the 2nd.

Subject: Sigurd to Red Butte

Hi Amy,

After a meeting with Larry today, he asked me to arrange a time that we could all get together and talk about the mitigation plan and recommendations for Sigurd to Red Butte. We really need to wrap up this discussion as soon as possible because the ROD is scheduled to be signed in the beginning of December and we need to have the mitigation plan completed before this time so it can be incorporated into that document. I was thinking that we would meet the morning of Nov. 1 or anytime on Nov. 2. Please let me know if this time works for you Laura and Larry.

Please let me know what works best for you and we will try to schedule around your schedule.

Thanks,

Robin Naeve
