Thanks Jeff,

Will you let us know when these are officially adopted?

Lara

> Hi Catherine - could we get the GIS files for the latest core / connectivity / general habitat areas per that last version of the Strategy? Our folks in Denver are looking at this with

respect to the Keystone Pipeline. What's primarily missing at this point from the maps we have is the Garfield/McCone county area and the Valley County connectivity area. So whatever is easiest - the whole thing or just those areas - would be really helpful. Or if there's somewhere you can direct me to send our GIS person to grab the files, that would be great too. Thanks!

Jeff
