I would be perturbed too :)
probably a false alarm on my part, just reacting to the "final EIS" language

Subject: Schedule for NW Colo RMP

An article in Sunday's Grand Junction Sentinel (summarized in yesterday's clips) reports that Jim Cagney, BLM manager for NW Colorado, said that it appears the RMP won't be done until February rather than September. This may not be news to any of you, but I believe it is the first time I have heard it.
