Hey everyone -

The grouse call is re-constituted! We will be having a call this Thursday at 2:00 p.m. MST. Call in is 1-877-992-6918, passcode 6546112#

Tentative agenda:
1. Status of COT report
2. Status of Bi-State
3. BLM review process - next steps and expectations
4. Travel management prioritization exercise
5. State plan update
6. Round the lek

I only have an hour available for the call so we will be done at 3 instead of our sometimes longer calls.

I have shortened the to list for these calls simply because I was notifying about 100 folks and getting about 7 calling in. So if I have missed someone that should be getting this notification, please let them know and I will continue to update the list as we move forward!

Talk to you soon!

Pat
