I plan to send the SOL memo on foreseeable future (attached here) to the Task Force as a read ahead, and ES is preparing a brief powerpoint for the meeting which we can share with you as we do a pre-brief prior to the actual TF meeting.

Subject: SGTF: Draft Agenda & Hotel Information

Dear Sage Grouse Task Force members,

Please find attached a **draft agenda** for the **July 17-18 SGTF meeting**. Please let me know if you have any additions or suggestions.

Hotel information is included at the bottom of the agenda. The room block at the Comfort Inn in downtown Denver will be held through June 24th.

Please also note that **meals will not be provided** at this meeting, so please plan to grab lunch before the meeting starts at noon on the 17th. I will send a list of nearby restaurants prior to the meeting.

In addition, Im attaching a May 16th letter from the Western Association of Fish and Wildlife Agencies (WAFWA) as an FYI, in case you have not received it through other channels. The letter was sent to Secretary Sally Jewell (DOI) expressing concerns with a scientist sign-on letter that recommended the Sage-Grouse National Technical Team (NTT) report be used in all revisions of Resource Management Plans across the range of the greater sage-grouse.

Thank you,

Carlee Brown, Policy Associate
