Comments:

Thank you for participating in this planning project!

Your comments are invaluable and will help us develop our final CCP for the refuge. We will review, consider, respond to all substantive comments we receive. We define substantive comments as:

- Comments on the accuracy of information in the plan, with supporting documentation.
- Comments on whether the analysis in the plan is adequate, and the reasons why or why not.
- Comments regarding specific actions proposed in the plan, and the reasons why they are either supported or pose a concern.
- Comments on whether another reasonable alternative(s) or action(s), other than those presented in the plan, should be evaluated, with an explanation as to why.
- Comments on new or additional information relevant to the plan, and the source of the information.

Please note: This comment becomes part of the public record for the Monomoy NWR planning effort. We must provide the information on this comment form, if requested, under the *Freedom of Information Act*.
