How to Make a Fortune Teller or Cootie Catcher...

- Print your Fortune Teller.
- Cut out the Fortune Teller along the outside line (6 or 8 inch square)
- With the printed side up, fold the square in half horizontally and then vertically, open the folds.
- Turn the square over.
- Fold each corner over so they meet in the middle, do not let them overlap.
- Leave the square folded, and flip the square over.
- Now fold the corners into the center – make sure they do not overlap.
- Fold the entire square in half and poke your thumbs and forefingers in under the flaps.
- Bring your fingers together so the Fortune Teller forms a peak –

- YOU are ready to PLAY!
