

**Common Carp Pituitary Clinical Field Trials CCP-2: Drug Inventory Form - Version 4
Common Carp Pituitary INAD 8391**

INSTRUCTIONS

1. Investigator should initiate a new form CCP-2 **immediately** upon receipt of each shipment of Common Carp Pituitary.
2. Form CCP-2 should be updated whenever drug is used, transferred, or discarded.
3. Investigator should save all copies of this form until the end of the calendar year, at which time they should maintain all originals on file and send one copy of the completed form(s) to their Study Monitor. Within 10 days of receipt, the Study Monitor will ensure accuracy and send a copy to the Bozeman NIO for inclusion in the permanent file.
4. **Note:** Both Investigator and Study Monitor should sign and date Form CCP-2.
