

**Form MT-2. Chemical Use Log for Clinical Field Trials Using MT Medicated Feed Under INAD #11-236**

- Instructions:**
1. Investigator should initiate a new Form MT-2 immediately upon receipt of each shipment of 17alpha methyltestosterone (MT) medicated feed.
  2. Form MT-2 should be updated whenever MT medicated feed is used, transferred, or discarded.
  3. Investigator should save all copies of Form MT-2 until the end of the calendar year, at which time they should maintain all originals on file and send one copy of the completed form(s) to their Study Monitor. Within 10 days of receipt, the Study Monitor will ensure accuracy and send a copy(s) to the AADAP Office for inclusion in the permanent file.
  4. **Note:** Both Investigator and Study Monitor must sign and date Form MT-2
