Application for Classroom Presentation

Please read before completing your application:

- This application is not a confirmation of your classroom presentation. Confirmation will be sent via e-mail to confirm a presentation date/time. If an alternate method of confirmation is preferred, please specify.
 - Applications are processed on a first-come basis.
 - Please e-mail, fax, or mail this form to the Education Coordinators.
 - Call or e-mail if you have any questions.
-

Complete the following information as it applies to your classroom presentation.

Name of School or Group: _____ Grade: _____ Age: _____

Contact Person: _____ School Phone: _____

Address: _____ Fax: _____

_____ Email: _____

Total # in Classroom: _____ Date/Time Preference #1: _____ Date/Time #2: _____

Is your classroom equipped for computer presentations? Yes ___ No ___

Is your class participating in a Field Study? Yes ___ No ___ If Yes, when? _____

Please list a time during the day when the Education Coordinators can reach you: _____

1. Briefly describe your goals for the classroom presentation. What do you want your students to learn?

2. Give a brief description of your class's previous work in this area.

3. If applicable, please specify what the focus of this visit will be about. (Understanding Habitats/Shorebird Migration/Species Adaptations/Ecological Interdependency/etc.)

4. Additional comments, requests, and notes which would help structure your classroom presentation:

If your class would like to participate in a GHNWR field study and you would be interested in bus funding through ESD 113, please fill out a Field Study Reservation Form and contact us.
