Midway Atoll Registration and  
Recreation Permit Application/Reporting Form**

Welcome to Midway Atoll National Wildlife Refuge and the Papahānaumokuākea Marine National Monument! This special place is being protected not only for the benefit of its unique natural, historical, and cultural resources, but also for the benefit of future generations of people. To do so, we closely track visitor activities on Midway.

Thus we ask you to complete the information below as an application for a Monument recreation permit. As you depart Midway, we'll ask you to report back to us about your recreation and, if appropriate, volunteer activities. By compiling such information, we can better study the cumulative impacts of our visitor program. Also, our contractor will ask you to complete a visitor questionnaire that will help us improve our visitor program and customer service in the future. (Please be assured your personal information will be protected under the Privacy Act and will not be shared outside the U.S. Fish and Wildlife Service.)

We much appreciate your assistance as we fine-tune our recreational program at Midway Atoll. You are very important to us, and we hope you have a wonderful experience while you are with us!
