

**DETROIT RIVER INTERNATIONAL WILDLIFE REFUGE
FISHING PIER AND BOAT DOCK**

Metropolitan Affairs Coalition would like to invite you to an open house discussion regarding the Fishing Pier and Boat Dock currently being designed for the Detroit River International Wildlife Refuge Gateway

**When: 5:00pm-7:00pm
Thursday, February 12th**

**Where: Westfield Activities Center
2700 Westfield, Trenton MI 48183**

In 2008, Metropolitan Affairs Coalition was the recipient of a grant from the Great Lakes Fishery Trust to complete design and engineering for a boat dock to house the Michigan Sea Grant's School Ship as well as a boardwalk and public fishing pier. As part of this design process MAC, with our partners, Wayne County Parks, US Fish and Wildlife Service and Michigan Sea Grant would like to invite you to share your thoughts and comments on this important regional project.
