

Shawano County Waterfowl Production Areas

Welcome to the National Wildlife Refuge System

Over 3,000 Waterfowl Production Areas (WPAs) have been purchased in the Upper Midwest with funds from the sale of Federal Duck Stamps. These WPAs are open to hunting, fishing, trapping, wildlife observation and photography. Your responsibilities below are designed to protect these prairie jewels of the Refuge System, and the people and wildlife using them.

- All motor vehicles, including snowmobiles and all-terrain vehicles, are prohibited unless specific areas are posted as open to this use.
- Hunting is subject to all applicable federal and state laws.
- Shotgun hunters: Only nontoxic shot may be used or possessed when hunting small game or migratory birds.
- Only portable hunting stands or blinds can be used and must be removed daily.
- The use or possession of alcoholic beverages while hunting is prohibited.
- No camping or overnight use.

For more information, contact the Leopold WMD at (608) 742-7100
