

# Busy Teachers Wanted!

Make the Most of Your Busy Schedule!

Register for a Combined Workshop

**FREE, 3 CEU Credits**

## ECOTIME + The Outdoor Classroom

*Interested in taking your teaching outside? Wondering how to facilitate learning in the outdoors with 30 students? Learn strategies and techniques for teaching and managing students in **The Outdoor Classroom**. Need fresh ideas for morning meeting? **ECOTIME** is a collection of 150 interactive Greetings, Activities and News and Announcements. These environmentally-themed activities fit within the Responsive Classroom Framework and align with current math, social studies, language and science standards.*
