

Please Note: All Scout Troops and Youth Groups

Special parking is requested of youth groups and scout troops visiting the Squaw Creek National Wildlife Refuge for Eagle Days on Saturday, December 6, 2008. A shuttle bus service will be available free of charge to bring participants from the Squaw Creek Eagle Nest Plaza shuttle parking lot to events at the Squaw Creek Refuge. Shuttle bus service is every 15-30 minutes. The Squaw Creek Eagle Nest Plaza shuttle parking lot is located off Interstate-29, at Exit 79.

The shuttle bus service is required to reduce parking congestion for visitors attending Eagle Days at the refuge program location. Participants will be given special incentive awards for utilizing the shuttle bus service.
