Aquaculture Field Day

The Aquaculture Field Day and Vendors Fair is actually two days of great events:

- Protection from VHS & Other Diseases
- NADF Research Project Overview & On-site Interactive Review
- Fish Health Assessment and Training
- Bio-Security Workshop
- Aquaculture Vendors Fair
- Optional Apostle Islands Charter Boat Tour
- Wisconsin Aquaculture Industry Advisory Counsel (WAIAC) Quarterly Meeting
- Wisconsin Aquaculture Association (WAA) Quarterly Board Meeting
- Wisconsin Aquaculture Association Fish Fry

With Lake Superior, the world's largest freshwater lake, as our backdrop, the Aquaculture Field Day and Vendors Fair will be fun, informative and provide opportunities to exchange ideas with other farmers and researchers.

THURSDAY'S WORKSHOPS

The location of our first session is at the Bayfield Pavilion - located at Rittenhouse and Front Streets in downtown Bayfield next to the City Docks

- ◆ Get the latest information on VHS and other diseases from Dr.'s Kebus, Walsh & Gustafson

- ◆ Receive data and hands-on demonstrations of NADF's projects including:
USDA-ARS Yellow Perch project
NCRAC—Spot fin shiner project
Walleye grow out project
