

Appendix F: RONS Lists

Windom Wetland Management District

RONs Title No.	First Year Cost	Recurring Base (\$000)
00001 Increase protection/development of waterfowl production habitat (manager)	139	74
00050 Increase Service identity and education/outreach	118	53
00003 Expand waterfowl production habitat (biologist)	118	53
00004 Restore wetland habitat protected by FWS fee and easement programs (biologist)	139	74
00002 Expand waterfowl production habitat (manager)	128	63
00005 Increase wetland restorations	60	27
00035 Displays for New Visitor Center	150	10
99010 Wetland restoration on WPAs and easements	110	45
00017 Reestablish Diverse, Local Origin Native Prairie Vegetation	115	25
00029 Improve Biological Diversity Through Control of Invasive Exotic Plants	85	20
99009 Harvesting local ecotype native prairie grasses and forbs	150	25
00034 Safe and Adequate Access to WPAs	146	71
00044 Building Site Disposal	100	45
00045 Archeological Surveys on Newly Acquired WPAs	80	35
00036 Site Development for EE and Interpretation	60	10
00037 K-12 Environmental Education	129	64
00048 Provide Computer Technology for Land Management	141	76
00026 Improve and Expand Conservation Practices on Private Lands	90	35
00006 Improve Ecosystem Coordination for increased benefits for trust species	141	76
00007 Increase Wetland Restorations in Ecosystem	150	60
00008 Reestablish grassland habitat in Ecosystem	150	60
00009 Restore Riverine Habitat in Ecosystem	150	60
00028 Prevent Crop Depredation by Canada Geese	111	46
99008 Prairie Restoration	75	10
00011 Conduct Essential Data Gathering and Analysis to Enable Sound Management	167	69
00015 Reestablish Diverse, Local Origin Native Prairie Vegetation	84	38
99006 Field, lab and library facility	112	16
99005 Seed, herbicide and flammable storage buildings	264	12
98007 Biological monitoring on the restoration of Heron Lake	184	66
00032 Improve/Expand Outreach1	41	76
00047 Utilize Evolving Technology for Land Management	40	15
00046 Boundary Posting and Maintenance	82	10
00042 Increase Mallard Production	111	46
99011 Prescribed burning	367	137
00014 Increase Restoration and Protection of Prairie Pothole Habitat through fee and Easement Acquisitions	75	10
00022 Wetland Restoration Partnerships	90	10
00023 Wetland Restoration Partnerships	145	50
00024 Wetland Restoration Plant Diversity Study	130	50
00033 Provide Visitor Services on WPAs	156	81
00031 Improve/Expand Outreach	60	15
00038 Accessible Interpretive Trails, Blinds and Observation Platforms	100	15

RONS Title No.		First Year Cost	Recurring Base (\$000)	
00040	Administrative Support for Increased Staff and WMD Programs	111	46	
00041	Maintenance Support for Increased Staff, Facilities and Land Base	118	53	
99015	Minimum Refuge Operations Needs	130	45	
00012	Conduct Waterfowl Production Study on WPAs in southwest Minnesota	145	35	
00013	Reduce Unauthorized Use of WPAs and Easements Through Increased Law Enforcement	154	89	
00039	On-Line Map Server and Recreational Guide	25	5	
00025	Water Level Management in Restored Wetlands	75	10	
00019	Upgrade Fire Management Program	130	100	
00020	Upgrade Fire Management Program	150	15	
00021	Improve Prescribed and Wildfire Coordination with Local Departments	142	32	
00018	Control of Invasive, Exotic Pest Plants in Established WPA Habitat	135	35	
00049	GIS Training, Data Entry and Hardware/Software Upgrades	34	14	
00043	Improve Wetland Easement Enforcement and Wetland Restoration Surveying	50	5	
00030	Improve Biological Diversity Through Control of Invasive Exotic Fish		150	20
00027	Reintroduce Extirpated Native Species and Manage for T&E and Species of Special Concern	75	10	
98006	Accessible visitor facilities, Wolf Lake WPA	92	6
