

PUBLIC COMMENT QUESTIONNAIRE

Thank you for helping us plan... your comments are very important to the Comprehensive Conservation Plan (CCP) effort. The purpose of this questionnaire is to provide an additional opportunity for you to express your ideas and concerns for the future management of the Medicine Lake National Wildlife Refuge Complex (complex).

Please submit your comments by January 15, 2007. *[attach additional comments on a separate sheet of paper if needed]*

Qualities

What are the qualities and characteristics that you most value about the Medicine Lake NWR Complex?

Issues

What do you consider to be the most important issues concerning the Medicine Lake NWR Complex that should be addressed in the refuge planning process?

Opportunities

What opportunities exist to manage wildlife habitat, provide for priority *wildlife-dependent public uses, and develop partnerships with the community?

* priority wildlife-dependent public uses : *hunting, fishing, wildlife observation, photography, environmental education, and interpretation*

Additional comments...
