## **NATIONAL ELK REFUGE ANNOUNCES SUMMER SCHEDULE OF FACILITIES**

Manager Barry Reiswig announced today the schedule changes for public facilities on the National Elk Refuge for the 2007 summer season.

The Jackson Hole & Greater Yellowstone Visitor Center, located at 532 N. Cache Street in Jackson, will expand its hours to 8:00 AM through 7:00 PM beginning Saturday, May 26. The multi-agency visitor center is staffed by personnel from the U.S. Fish and Wildlife Service, Bridger-Teton National Forest, Jackson Hole Chamber of Commerce, Grand Teton Natural History Association, and National Park Service. The popular facility offers interpretive displays, videos and naturalist talks as well as an extensive bookstore. The center also serves as a location to obtain area maps and visitor service information such as lodging, dining, wildlife viewing, and area recreational activities.

Saturday, May 26 also marks the 2007 summer season opening date of the historic Miller House, located approximately  $\frac{3}{4}$  north of the National Elk Refuge entrance on East Broadway Street in Jackson, Wyoming. The Miller House will be open to the public from 10 AM through 4 PM daily, including weekends, through Labor Day. The Miller Ranch represents the coming together of settlement, ranching and conservation in the Jackson Hole valley. The homesite and surrounding land was the first piece of property purchased for the National Elk Refuge, established in 1912.

For additional information about activities or services at the National Elk Refuge, please call the Headquarters Offices at 307 / 733-9212, ext. 227.
