News Release

Lahontan Cutthroat Trout Recovery Implementation Science Forum Announcement

The U.S. Fish & Wildlife Service will be hosting the 2nd Science Forum since initiating the Lahontan cutthroat trout Recovery Implementation Plans for the Walker and Truckee River basins for the public stakeholders. This forum provides the opportunity for the public to hear and discuss with researchers, scientists, and managers the latest results and information on key projects underway in each basin. Please join us at Boomtown Hotel Casino, Interstate 80, Boomtown Nevada, May 7, 2004, from 12:00 am to 2:30 p.m., or at the Topaz Lodge, 1979 Highway 395 South, Topaz Lake, NV, May, 14, 2004, from 12:00 to 2:30. We hope you will be able to join us.
