**\*\* Supawna Meadows NWR REFUGE 2008-2009 PERMIT \*\***

Dear Supawna Meadows National Wildlife Refuge hunter:

Supawna Meadows National Wildlife Refuge (Refuge), now incorporated into State Zone 63, is open for bow deer hunting only. No firearm seasons are open for hunting on the Refuge and it is illegal to be in possession of a firearm while on the Refuge.

All state bow seasons, including fall bow, permit bow, youth bow day, and winter bow, will be open on the Refuge. Hunters interested in participating in the permit bow season must enter the NJ Division of Fish and Wildlife lottery to receive a permit for zone 63. All hunters must be in possession of appropriate state permits and licenses, as well as the Refuge permit while hunting on the Refuge. All New Jersey state deer hunting regulations for zone 63 apply.

This letter serves as the Refuge permit. It must be signed by you and in your possession when hunting on Supawna Meadows National Wildlife Refuge. No fee is associated with this Refuge permit. This permit expires January 31, 2009.

Areas open for hunting on the Refuge are indicated on the map on the reverse side of this permit. If you have any questions or need additional information, please call Cape May National Wildlife Refuge at 609/463-0994.
