Conduct Your Own Mini BioBlitz Ongoing all BioBlitz long!

Pick up our BioBlitz brochure and conduct your family's own BioBlitz on the trails of the Great Swamp National Wildlife Refuge. You will use your observation skills to spot different kinds of plants and animals, and learn more about the physical parameters of the site. For every completed BioBlitz "survey," you will receive a prize. Stop by the registration table to pick up a brochure and learn the rules of scientific discovery! For all ages.
