

Water Chestnut Pull Workday

Join us in the Second Year effort to control the spread of
Water Chestnut at Mill Pond - Oyster Bay National Wildlife Refuge

Saturday, June 20, 2009

9am-2pm

Oyster Bay NWR (Mill Pond)
Intersection of W Main St & Lake Ave,
Oyster Bay, NY 11771

Canoes, life vest/jackets (limited), baskets (limited), lunch and refreshments will be provided. If you have your own life vest/jacket, please bring it! Volunteers should wear shoes and clothing that can get wet (shorts recommended), sunscreen, and insect repellent. Parking is available on the street.

Important Note
Volunteers must be at
least 18 years of age.

Registration: Please register at least 1 week prior to the event to get a head count of volunteer help. We want to make sure we have enough canoes, food, etc!

For more information and to register, please contact Susi Ponce, Wildlife Biologist, at azucena_ponce@fws.gov or 631.286.0485 ext 153.
