

Species List for Rappahannock River Valley Area

3-May-06

The following list was compiled from the Virginia Fish and Wildlife Information Services (FWIS) database (2003 version) for the Rappahannock River-Cat Point Creek area and includes additional species from Refuge surveys and other trusted sources. Species with no BOVA code (Biota of Virginia) are Refuge additions to the list by Sandy Spencer, Refuge Biologist. (Species Status to be updated).
